

SMALL BUSINESS PROCUREMENT ACADEMY

Sands is proposing to build a multi-billion dollar entertainment and casino resort in Nassau County and wants your business to be a part of it. From pre-construction through operations, Sands will procure hundreds of millions of dollars from companies just like yours.

Please join Sands for the next installment of our series of Procurement Academy events with Chad Forster, Sands VP of Procurement, to learn more about the opportunities for New York businesses and see if your business can benefit from this exciting project.
